Pet Health for Life is not a pet insurance policy.

It is a way to spread the cost of essential preventative pet care at the recommended annual doses, however, it does not cover the costs of veterinary care for unexpected illness or injury to your pet. We recommend taking out separate pet insurance for this. All treatment is subject to clinical assessment and need.

*Terms & conditions apply. Visit our website for full terms and conditions www.hawickvets.co.uk or speak to a member of the team to view a copy.
